ABWA's Mission...

The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow professionally and personally through leadership, education, networking support, and national recognition.

Who We Are...

On June 14, 2006, the Lancaster Area Express Network (LAEN) became the first American Business Women's Association (ABWA) Express Network in Pennsylvania. Thirty-five dedicated Lancaster County professionals and their associates led the charge to make ABWA history. We are united by a common purpose - to support each other in professional growth and career advancement. Since our inception, we have provided numerous business-related educational and motivational speakers and successful networking events. We are proud of our ABWA history and accomplishments, both nationally and locally, that promote the rich heritage and mission ABWA was founded on in 1949.

Succeeding in business today is all about how you use your most valuable resource - your time. The Lancaster Area Express Network can help you make the most of every minute! Meeting formats allow professional women to focus on networking opportunities and education.
