Presidents Letter

When we transitioned officers to our new board last summer, masked and outside on the patio at LCC, we were given “**Mission Possible**” tools. Armed with sanitizer, paper towels, wipes, and toilet paper, we the new LAEN Board pledged to do our best facing uncharted territory and **a mission made possible with the support of ABWA LAEN members and support**. Wow! What a year it has been, and how we have adapted throughout!

What has stayed the same? **a steadfast focus on our mission of support, networking, and professional development for women in business**. Have you attended a Lunch & Learn or Book Group for professional development? Or, maybe you prefer a small, more casual gathering for support, *FUN*, and networking – join us at Wine Wednesday or Mini-Mixer. In addition to our monthly events, **I challenge you to connect with a member that you don't yet know, and find out how you can help each other with skills or connections for your business**. Leverage these connections to grow and achieve your goals!

Thank you to all our members and many guests who have come along on this journey, and stayed focused on growth and professional development, support, and networking with ABWA LAEN. And a big shout out to all the board members and assistants who are working hard behind the scenes to keep us on target and make this **MISSION POSSIBLE!**

Supporting, connecting, learning together,

Colette Cocco
President, ABWA LAEN 20/21
